

## General Assembly

January Session, 2003

## Raised Bill No. 956

LCO No. 3359

Referred to Committee on Select Committee on Children

Introduced by: (KID)

## AN ACT CONCERNING CHILD DAY CARE CENTERS AND CHILDREN WITH SPECIAL HEALTH CARE NEEDS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 Section 1. Subsection (d) of section 19a-490 of the general statutes is
- 2 repealed and the following is substituted in lieu thereof (Effective
- 3 October 1, 2003):
- 4 (d) "Home health care agency" means a public or private
- 5 organization, or a subdivision thereof, engaged in providing
- 6 professional nursing services and the following services, available
- 7 twenty-four hours per day, in the patient's home, [or a substantially
- 8 equivalent environment] a child day care center, as defined in section
- 9 19a-77, or an environment substantially equivalent to such home or
- 10 <u>center</u>: Homemaker-home health aide services as defined in this
- 11 section, physical therapy, speech therapy, occupational therapy or
- 12 medical social services. The agency shall provide professional nursing
- 13 services and at least one additional service directly and all others
- 14 directly or through contract. An agency shall be available to enroll new
- patients seven days a week, twenty-four hours per day.

Sec. 2. Subsection (a) of section 19a-79 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective October 1, 2003*):

(a) The Commissioner of Public Health shall adopt regulations, in accordance with the provisions of chapter 54, to carry out the purposes of sections 19a-77 to 19a-80, inclusive, and 19a-82 to 19a-87, inclusive, and to assure that child day care centers and group day care homes shall meet the health, educational and social needs of children utilizing such child day care centers and group day care homes. Such regulations shall (1) specify that before being permitted to attend any child day care center or group day care home, each child shall be protected as age-appropriate by adequate immunization against diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, hemophilus influenzae type B and any other vaccine required by the schedule of active immunization adopted pursuant to section 19a-7f, including appropriate exemptions for children for whom such immunization is medically contraindicated and for children whose parents object to such immunization on religious grounds, (2) specify conditions under which child day care center directors and teachers and group day care home providers may administer tests to monitor glucose levels in a child with diagnosed diabetes mellitus, and administer medicinal preparations, including controlled drugs specified in the regulations by the commissioner, to a child receiving child day care services at such child day care center or group day care home pursuant to the written order of a physician licensed to practice medicine or a dentist licensed to practice dental medicine in this or another state, or an advanced practice registered nurse licensed to prescribe in accordance with section 20-94a, or a physician assistant licensed to prescribe in accordance with section 20-12d, and the written authorization of a parent or guardian of such child, (3) specify that an operator of a child day care center or group day care home, licensed before January 1, 1986, or an operator who receives a license after January 1, 1986, for a facility licensed prior to January 1, 1986, shall provide a minimum of thirty square feet per child of total indoor

usable space, free of furniture except that needed for the children's purposes, exclusive of toilet rooms, bathrooms, coatrooms, kitchens, halls, isolation room or other rooms used for purposes other than the activities of the children, (4) specify that a child day care center or group day care home licensed after January 1, 1986, shall provide thirty-five square feet per child of total indoor usable space, (5) establish appropriate child day care center staffing requirements for employees certified in cardiopulmonary resuscitation by the American Red Cross or the American Heart Association, (6) require child day care centers to comply with the Americans with Disabilities Act, as from time to time amended, and make reasonable efforts to accommodate children with special needs and integrate such children with other children, (7) specify that on and after January 1, 2003, a child day care center or group day care home (A) shall not deny services to a child on the basis of a child's known or suspected allergy or because a child has a prescription for an automatic prefilled cartridge injector or similar automatic injectable equipment used to treat an allergic reaction, (B) shall, within three weeks of such child's enrollment in such a center or home, have staff trained in the use of such equipment on-site during all hours when such a child is on-site, (C) shall require such child's parent or guardian to provide the injector or injectable equipment and a copy of the prescription for such medication and injector or injectable equipment upon enrollment of such child, and (D) shall require a parent or guardian enrolling such a child to replace such medication and equipment prior to its expiration date, and (8) require licensed child day care centers to provide diaper changing areas for children older than three years of age.

Sec. 3. (NEW) (*Effective October 1, 2003*) The Department of Social Services shall accept written complaints from individuals regarding licensed child day care centers and shall promptly forward such complaints to the Commissioner of Public Health, who shall investigate such complaints and take action as required pursuant to section 19a-84 of the general statutes.
